Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Line 6(a) of the Summary Page represents the total cash-on-hand as of January 1, 2006. Line 6(b) represents the cash on hand at the beginning of the reporting period. These two figures should be the same for the first report of the year. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.

-Column B figures should be cumulative for a single calendar year. Please amend the Column B totals of your report to reflect 2006 activity only. Note that changes in your figures may affect your Column B totals on subsequent reports.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
